

## Curriculum Vitae

### Peter A. Venable, Ph.D.

Associate Professor of Psychology

430 Huntington Hall

Syracuse University

Syracuse, NY 13244-2340

Phone: (315) 443-1210

Email: pvanable@syr.edu

<http://www.chb.syr.edu/projects/UPH/>

Last revised, March, 2008

### ACADEMIC APPOINTMENTS

1997-1998	Lecturer, University of Chicago, Department of Psychiatry
7/99- 7/00	Research Assistant Professor, Syracuse University, Department of Psychology
8/00- 2006	Assistant Professor of Psychology, Syracuse University
6/01- present	Adjunct Assistant Professor of Medicine, SUNY Upstate Medical University
2003-present	Adjunct Assistant Professor, Department of Medicine, University of Rochester School of Medicine and Dentistry
2003-present	Senior Scientist, Center for Health and Behavior, Syracuse University
2006-present	Associate Professor of Psychology, Syracuse University

### EDUCATION

1990	B.A. Kenyon College, <u>Magna Cum Laude with High Honors</u> in Psychology
1994	M.A., University of Illinois at Chicago, Clinical and Social Psychology
1996-1997	Clinical Psychology Internship (APA accredited), University of Chicago Medical Center, Health Psychology Specialization
1998	Ph.D., University of Illinois at Chicago (APA accredited); Clinical and Social Psychology, Chicago, Illinois
6/97- 6/99	Fellowship in Clinical Health Psychology, University of Chicago, Department of Psychiatry

### ACADEMIC HONORS, AWARDS, AND EDITORIAL APPOINTMENTS

1989	National Science Foundation Research Fellowship, Kent State University
1990	Graduated Magna Cum Laude with High Honors in Psychology, Kenyon College
1990	Phi Beta Kappa
1990	Sigma Xi
1993	Special Commendation, Clinical Psychology Preliminary Examination, University of Illinois at Chicago
2003	Consulting Editor, <i>Journal of Consulting and Clinical Psychology</i>
2004-2005	Consulting Editor, <i>Health Psychology</i>
2005- 2007	Consulting Editor, <i>AIDS and Behavior</i>
2008—	Associate Editor, <i>AIDS and Behavior</i>

### PROFESSIONAL MEMBERSHIPS

American Psychology Association (Division 38, Health Psychology)

The Society of Behavioral Medicine (SBM)

Association for the Advancement of Behavior Therapy (AABT)

Central New York Psychological Association (CNYPA)

International Academy of Sex Research (by nomination), Summer, 2005

## TEACHING

Fall, 1991	<b>Teaching Assistant</b> , <u>Theories of Personality</u> , University of Illinois at Chicago, Department of Psychology
Spring, 1992	<b>Teaching Assistant</b> , <u>Interpersonal Relationships</u> , University of Illinois at Chicago, Department of Psychology
Spring, 1996	<b>Course Instructor</b> , <u>Social Psychology</u> , University of Illinois at Chicago, Department of Psychology
1997-1998	<b>Lecturer</b> , <u>Health Psychology Seminar</u> , University of Chicago, Department of Psychiatry. Rotating lecturer for a team-taught Clinical Health Psychology seminar for Clinical Psychology Interns, Externs and Residents.
2000-2001	<b>Course Instructor</b> , <u>Psychology of Health and Illness</u> , Syracuse University, Department of Psychology
2001- present	<b>Course Instructor</b> , <u>Abnormal Psychology</u> , Syracuse University, Department of Psychology
2001- present	<b>Course Instructor</b> , <u>Clinical Assessment</u> (Graduate level), Syracuse University, Department of Psychology
2002- present	<b>Course Instructor</b> , <u>Internships in Clinical Psychology</u> , Syracuse University, Department of Psychology

## INVITED LECTURES

October, 1994	<u>Psychological Models of Substance Use and Abuse</u> , University of Illinois at Chicago, Social Psychology Research Colloquium.
November, 1997	<u>Psychosocial Implications of HIV Combination Treatments</u> , University of Chicago, Department of Psychiatry, Behavioral Medicine Seminar
April, 1998	<u>Substance Use and HIV Prevention</u> , University of Chicago, Department of Psychiatry, Behavioral Medicine Seminar
August, 1998	<u>HIV Prevention Among Drug Using Men who Have Sex with Men</u> , Prevention Research Center Research Colloquium, University of Illinois at Chicago.
March, 2000	<u>Biomedical Aspects of HIV Prevention</u> , for 3 hour seminar course "Psychology of HIV prevention," Syracuse University.
March, 2001	<u>Emerging Issues in HIV Prevention</u> , Health Psychology seminar, S.U.
June, 2001	<u>Certificates of Confidentiality and the IRB process</u> , invited discussant for a special topics discussion held with SU IRB board members, Syracuse University.
January, 2002	<u>Integrating HIV Behavioral Research in an Outpatient HIV-Care Clinic Setting</u> , SUNY Upstate Medical University, Infectious Disease Clinic Grand Rounds.
February, 2002	<u>Contemporary Issues in Clinical and Research Ethics</u> , for School Psychology Brown Bag Series, Syracuse University.
March, 2002	<u>Living with HIV Disease</u> , invited lecture for the course, <u>Psychology of Public Health</u> , Syracuse University.
August, 2002	<u>Health Psychology: Focus on Stress and Coping</u> , for 1.5 hour Introductory Psychology Course, Syracuse University
January, 2003	<u>Psychosocial Challenges of Living with HIV: The SUNY Health and Coping Study</u> . Invited Keynote Address, Central New York Nurses in AIDS Care Biannual Meeting.
October, 2006	<u>Applying to the National Institutes of Health: Perspectives from a New Investigator</u> . Invited talk cosponsored by the Syracuse University Office of Sponsored Programs and the Department of Information Studies.

**RESEARCH ADVISING**

**Primary advisor, Doctoral Students in Clinical Psychology:**

Rae Littlewood (M.A. thesis defended, Spring, 2005)  
Jennifer Brown (M.A. thesis proposal defended, Spring, 2005)  
Jessica Heath (entering doctoral student, Fall, 2005)  
Paul Vogelwede (M.A. completed, preparing dissertation proposal)

**Secondary faculty advisor, Doctoral Students in Clinical Psychology:**

John Hustad  
Beth Jaworski  
Dawn Sugarman  
Sarah Woolf  
Afton Kapuscinski  
Jennifer Christine Elliott  
Robyn Fielder  
Calvin Sims

**Thesis committee member:** (\*\* denotes student outside of the Clinical Psychology division)

2000 Susan Collins  
2001 Ethan Lumsden \*\*  
2003 Silvie Semenech \*\*  
2003 John Hustad  
2003 John Begeny (School Psychology program) \*\*  
2004 Rebecca Helm  
2004 Rob Stawski (Experimental Program) \*\*  
2004 Stacey Montarello (School Psychology Program) \*\*  
2004 Alexandra Hilt (School Psychology Program)  
2005 Dawn Sugarman  
2005 Rae Littlewood  
2006 Jennifer Brown  
2006 Sarah Woolf  
2006 Yanmin Zhang \*\*  
2007 Afton Kapuscinski  
2007 Jessie Heath  
2007 Lynne Gertz\*\*  
2007 Robyn Fielder  
2007 Marta Kadziolka (chair)

**Dissertation committee member:**

2001 Jennifer Burden  
2001 Lauren Durant  
2001 Maria Sauro  
2001 Wendy Wolfe  
2003 Susan Collins  
2003 Merrill Berkowitz (School Psychology Program)  
2003 Michael Douglas  
2003 Beth Jaworski  
2004 Sonya Sharma  
2004 Dan Neal  
2004 Teal Pedlow  
2006 Blair Rosenthal (School Psychology Program)  
2006 Rob Stawski  
2006 John Hustad

2007 Rae Littlewood  
 2007 Fran Szczech

## **SERVICE**

### Departmental

8/01 to 8/02 Member, Executive Committee (elected)  
 Fall, 2001 Member, Clinical Psychology subcommittee to consider revised Qualifying exam  
 Fall, 2001 Discussant, Career Opportunities in Psychology meeting (2000-2001)  
 May, 2002 Judge, Syracuse University Undergraduate Research Conference  
 2005-2006 Member, Clinical Task Force to identify new clinical placement sites  
 2000– present Member, Comprehensive Examining Committee for Clinical Psychology  
 2000- present Member, Allport Undergraduate Advisory Committee  
 2001- present Member, Undergraduate Advisory Committee  
 2001-2003 Member, Undergraduate Psychology awards nominating committee  
 2001- present Academic Advisor, ≈ 30 Psychology majors  
 2008— Faculty mentor to Alecia Santuzzi  
 2006-2007 Member, Prof. Marc Howard’s 5<sup>th</sup> year review committee  
 2007-2008 Member, Prof. Marc Howard’s Promotion and Tenure Committee  
 2007-2010 Member, Department of Psychology Executive Committee (elected by department to serve)

### College/University

June, 2001 Invited Discussant, Syracuse University’s Institutional Review Board meeting. Provided input regarding recent changes in IRB regulations concerning confidentiality requirements.  
 Fall, 2002 Member, Advisory Committee to Dean Newton: Future Directions of the Social Psychology Program  
 Fall, 2003 Member, search committee, data manager position, Center for Health and Behavior  
 November, 2004 Faculty discussant, “Fall Friday” visit day for prospective SU students  
 2008— Member, Syracuse University Institutional Review Board

### Community

November, 2001 Guest, Jim Reith Show, WSYR Radio. 15 minute on-air interview concerning the psychological aftermath of the Sept. 11 attacks.  
 2002— Consultant, Department of Internal Medicine, Infectious Disease Division, New York State AIDS Institute Grant.  
 January, 2003 Keynote Speaker, Central New York Nurses in AIDS Care Meeting

- Fall, 2004            Consultant (pro bono), for NIH grant submitted by the *Center for Community Alternatives*, Syracuse, New York.
- March, 2005        Featured interview for *MSNBC*, “Social Issues Linked to Rise in STDs”  
<http://www.msnbc.msn.com/id/7268133/>
- June, 2006        My research program (along with several other departmental colleagues) was featured in an in depth article appearing in a *Syracuse University Magazine* article, “Healthy State of Mind and Body”  
<http://sumagazine.syr.edu/summer06/features/feature2/index.html>.

#### Editorial and Scientific Reviewing

- 2003                Editorial Board, *Journal of Consulting and Clinical Psychology*
- 2004-2005        Editorial Board, *Health Psychology*
- 2005-2007        Editorial Board, *AIDS and Behavior*
- 2007—            Associate Editor, *AIDS and Behavior*

#### **Journals: Ad-Hoc Reviewing:**

*Addiction*  
*AIDS and Behavior*  
*AIDS Care*  
*Alcoholism: Clinical and Experimental*  
*Annals of Behavioral Medicine*  
*Archives of Sexual Behavior*  
*BMC Public Health*  
*Clinical Psychology: Science and Practice*  
*Cognitive and Behavioral Practice*  
*Cognitive Therapy and Research*  
*Depression and Anxiety*  
*Health Psychology*  
*Journal of Acquired Immune Deficiency Syndrome*  
*Journal of the American Medical Association (JAMA)*  
*Journal of Behavioral Medicine*  
*Journal of Consulting and Clinical Psychology*  
*Journal of the National Medical Association*  
*Journal of Studies on Alcohol*  
*Journal of Women’s Health*  
*Personality and Social Psychology Bulletin*  
*Psychological Assessment*  
*Psychology of Addictive Behaviors*  
*Social and Personality Psychology Compass*

#### Service to the Profession

- 2004- 2007        Chair, membership committee, *Central New York Psychological Association*
- July, 2007        Ad-hoc reviewer, NIH Behavioral and Social Consequences of HIV/AIDS Study Section
- August, 2007     Reviewer, NIH conference grant application (R13)

## RESEARCH

### FUNDED RESEARCH (ACTIVE)

1. **Project title:** Reducing Risk Sexual Behavior Among HIV+ Men (Priority score: 140)  
**Type:** R21  
**Source:** National Institute of Mental Health  
**Proposed duration:** 8/1/03 – 6/30/06  
**Role:** Principal Investigator, with M. Carey, Ph.D. and D. Blair, M.D., (co-investigators).  
**Total Costs:** \$562,500
  
2. **Project title:** A Multilevel HIV Prevention Strategy for High-Risk Youth (Priority score: 136)  
**Type:** U01 (NIH Cooperative Agreement for Multisite Project)  
**Source:** National Institute of Mental Health  
**Duration:** 9/28/04 – 7/31/09  
**Role:** Principal Investigator (Syracuse Site)  
**Other Collaborators:** Larry Brown, M.D. (Brown University), Michael Carey, Ph.D. (S.U., Co-I), Ralph DiClemente, Ph.D. (Emory University), Daniel Romer, Ph.D. (Univ. of Pennsylvania), B. Stanton, M.D. (Wayne State University), and Robert Valois (University of South Carolina).  
**Total Costs:** \$2,332,400 (Syracuse site)
  
3. **Project title:** Alcohol Intoxication, Arousal, and Risky Sex in MSM (priority score: 131)  
**Type:** R01  
**Source:** NIAAA  
**Proposed duration:** 4/01/04 - 3/31/08  
**Role:** Co-Investigator (S. Maisto, PI)  
**Total Costs:** \$1,087,500
  
4. **Project title:** HIV Prevention for STD patients (Priority score: 123)  
**Type:** R01  
**Source:** National Institute of Mental Health  
**Duration:** 7/1/03 – 6/30/08  
**Role:** Co-Investigator (M. Carey, PI)  
**Total Costs:** \$3,294,944
  
5. **Project title:** Community-Based HIV Primary Care Services  
**Source:** New York State Department of Health  
**Duration:** 2004-2009  
**Role:** Consultant  
**Collaborators:** Donald Blair, M.D., Judith Rees, NP., & Kelly Flood, SUNY U.M.U.  
**Total costs:** \$200,000
  
6. **Project Title:** Efficacy of a Computerized Stress Management Training Program for HIV+ Women  
**Role:** Faculty PI/Mentor  
**Graduate student PI:** Jennifer Brown, M.S.  
**Type:** NRSA / F31 from NIMH  
**Proposed duration:** 2.5 years  
**Amount requested:** \$77,227

### **FUNDED RESEARCH (Pending)**

- Project Title:** Acceptance of HPV Vaccination Among African-American Parents and Teens: An Exploratory Study of Parental Reluctance and Potential Barriers  
**Role:** PI  
**Type:** Merck HPV Investigator-Initiated Study  
**Duration:** 4/1/08-10/1/10 (anticipated start date)  
**Total costs:** \$165,382

### **GRANTS SUBMITTED (not funded)**

**Project title:** Diversity Experiences in Mental Health for SU Undergraduates  
**Type:** Vision Fund  
**Source:** Syracuse University, Center for Support of Teaching & Learning  
**Role:** Principal Investigator  
**Costs:** \$29,989  
**Status:** The proposal was not funded.

### **FUNDED PROJECTS (COMPLETED)**

- Project Title:** *Reducing Risk Behavior among HIV+ MSM*  
**Type:** Center for Health and Behavior (CHB) seed grant  
**Costs:** \$5,0000  
**Role:** Principal Investigator  
**Funding Source:** Center for Health and Behavior, Syracuse University
- Project Title:** *Reducing HIV-Infection among the Seriously Mentally Ill* (M. Carey, PI)  
**Type:** RO1  
**Role:** Co-Investigator and Project Director  
**Funding Source:** National Institute of Mental Health
- Project title:** Alcohol Use and High-Risk Sexual Behavior Among College Students  
**Type:** Allport grant for undergraduate research in Psychology, Syracuse University  
**Duration:** 2004-2005  
**Role:** Faculty Mentor  
**Student collaborators:** Randi Williams, Christine Ramsey, Lindsey Ross, Megan Heck, and Sharon Reid; Jennifer Brown (Graduate Student Mentor).  
**Total costs:** \$500
- Project title:** *Health-Behavior Practices and Coping Among Persons Living with HIV*  
**Type:** Allport grant for undergraduate research in Psychology, Syracuse University  
**Role:** Faculty Mentor  
**Duration:** 2001-2003  
**Student collaborators:** Allison Cooper and Deserae Follette  
**Total costs:** \$1200
- Project Title:** The Effects of Assessment Mode and Privacy Level on Self-Reports of Risky Sexual Behaviors  
**Type:** Allport grant for undergraduate research in Psychology, Syracuse University  
**Duration:** 2005-2006 academic Year  
**Student collaborators:** Catherine Caska, Lindsey Ross, Laura Gaskins  
**Award amount:** \$675

## **MAJOR RESEARCH POSITIONS AND INITIATIVES**

- 6/89 - 8/89      Alcohol Use and Aggression, *NSF Undergraduate Research Fellow*, Kent State University. *Mentor*: Stuart Taylor, Ph.D.
- 1989 - 1990      Self-Focused Attention and Paranoia, Kenyon College, Honors Research. Laboratory study investigating the relationship between self-focused attention and paranoid thought processes. Project awarded high honors; results published in *Journal of Personality and Social Psychology*. *Adviser*: Allan Fenigstein, Ph.D.
- 1990 - 1991      Psychobiological Studies of Alcohol Tolerant Drinking Drivers, *Research Assistant*, Vermont Alcohol Research Center. Field and laboratory based studies of alcohol tolerance among heavy drinkers recruited from area bars. Study sponsored by NIAAA. *Principal Investigator*: M. W. Perrine, Ph.D.
- 1991 - 1993      AIDS-Related Behavior Among Bisexually Active African-American and White Younger Men, *Research Assistant*, University of Illinois at Chicago. Interview study focusing on identifying HIV risk factors among a group of bisexual men. Project sponsored CDC. *Principal Investigator*: David J. McKirnan, Ph.D.
- 1993 - 1996      Collaborative HIV Vaccine Feasibility Study. *Data Analyst* (per diem), University of Illinois at Chicago. CDC-sponsored multi-site study assessing vaccine attitudes, HIV seroincidence rates, sexual behaviors, and psychosocial variables relevant to HIV risk. *Principal Investigator*: David J. McKirnan, Ph.D.
- 1995 - 1996      AIDS-Related Behavior Among Bisexually Active African-American and White Younger Men, *Project Coordinator*, University of Illinois at Chicago. CDC sponsored studies focusing on identifying HIV risk factors among bisexual men and the development of a community-based intervention for African American men. *Principal Investigators*: David J. McKirnan, Ph.D. and Joseph P. Stokes, Ph.D.
- 1995 - 1996      Prevention of Substance-Related High-Risk Sexual Behaviors. *Data Analyst* (per diem), Howard Brown Health Center. NIDA sponsored controlled intervention trial to reduce substance use and risky sexual behavior men who have sex with men. *Principal Investigator*: David G. Ostrow, M.D., Ph.D.
- 1997 – 1998      Psychological Functioning and Sleep Disturbance, *Research collaborator*, University of Chicago Sleep Research Laboratory. Psychological aspects of sleep, including a study of factors influencing subjective appraisals of sleep quality and duration. *Principal Investigator*: Wallace Mendelson, M.D.
- 1997 - 1999      Prevention of Substance Related High-Risk Sexual Behaviors, *Postdoctoral Research Fellow*. University of Chicago and Howard Brown Health Center. NIDA-Sponsored intervention trial to reduce substance use and risky sexual behavior among men who have sex with men. *Principal Investigator*: David G. Ostrow, M.D., Ph.D.
- 7/15/99 - 2003      Reducing HIV-Infection among the Seriously Mentally Ill, *Co-Investigator*, Syracuse University. NIMH sponsored intervention study targeting psychiatric outpatients. *Principal Investigator*: Michael P. Carey, Ph.D.

- 8/01 – present HIV Health and Coping Study, *Principal Investigator*, Syracuse University and SUNY Upstate Medical University. In depth survey study to examine health behavior practices, adherence, and mental health adaptation among HIV+ men and women receiving outpatient medical care.
- 6/04- present Alcohol Intoxication, Arousal, and Risky Sex in MSM, *Co-Investigator*. This lab-based project funded by the NIAAA (S. Maisto, PI) seeks to clarify the mechanisms linking substance use to high risk sexual behavior among MSM.
- 5/03- present HIV Prevention for STD Patients, *Co-Investigator*. This 5 year NIMH funded project (M. Carey, PI) seeks to implement and evaluate a two-step approach to HIV prevention with male and female patients at a publicly-funded STD clinic.
- 8/03-present Reducing Risk Behavior among HIV+ Men, *Principal Investigator*. This 3 year, NIMH funded project (R21) seeks to develop and test a health promotion intervention for HIV+ MSM.
- 9/04 – present A Multilevel HIV Prevention Strategy for High-Risk Youth, *Principal Investigator* (Syracuse site). Conducted in collaboration with colleagues from Brown University, Emory University, the University of Pennsylvania, and the University of South Carolina, this NIMH-funded (as of 9/05) multisite project will test the combined impact of a mass media campaign and a small group intervention on sexual risk behavior among African-American Adolescents in four U.S. cities.

Rapid communication poster submitted for presentation at the 29th Annual Meeting and Scientific Sessions of the Society of Behavioral Medicine, San Diego, CA.

**Clinical Experience**

- 6/90 - 9/90      Wediko Children's Services, Hillsborough, New Hampshire. Worked both in group and individual settings with adolescent boys and girls (ages 12-15) in a summer residential treatment program for emotionally disturbed children.
- 1991 - 1992      Office of Applied Psychological Services, University of Illinois at Chicago. Conducted initial clinical interviews and brief diagnostic assessments of prospective adult outpatients. Made treatment recommendations to clinical faculty and staff. Participated in case conferences, didactic presentations and individual supervision. Supervisor: Olga Reyes, Ph.D.
- 1992 - 1993      Office of Applied Psychological Services, University of Illinois at Chicago. Assessed intellectual, emotional, personality, and neuropsychological functioning of adult (primarily) and child outpatients. Testing referrals included questions concerning dementia, depression, personality disorders, learning disabilities, and drug and alcohol dependence, and included three SSI disability evaluations. Supervisor: Gloria Ballogue, Ph.D.
- 1991 - 1993      University of Illinois at Chicago Men's Sexuality Study. Conducted extensive psychosocial interviews as part of a CDC sponsored study of AIDS-related risk among sexually active African American and White men.
- 1993 - 1994      VA Lakeside Medical Center, Psychology Service. Conducted psychodiagnostic assessments and therapeutic interventions with psychiatric patients and medically-ill inpatients. Assessments focused on questions of dementia, competency issues, substance abuse, as well as assessments of coping following major illness. Supervisors: Eric Vandenberg, Ph.D. and Luke Shanley, Ph.D.
- 1994 - 1995      Prevention Research Center, UIC Smoking Cessation Program. Led cognitive behavioral, psycho-educational, skills training groups and conducted individual cognitive-behavioral treatment for clients enrolled in a controlled intervention trial of a clinic-based smoking cessation program. Supervisor: Robin Mermelstein, Ph.D.
- 1994 - 1995      University of Illinois at Chicago, Practicum in AIDS Prevention. Developed intervention material for community based intervention to reduce high risk sexual behavior among urban African-American men. Assisted in interviewer training of community based field workers. Supervisor: David J. McKirnan, Ph.D.
- 1996 - 1997      University of Chicago Hospitals, Internship in Clinical Psychology (APA approved). *Health Psychology Specialization.* Behavioral medicine rotations in primary care, chronic pain, and psychosocial oncology. Elective rotation at the Center for Cognitive therapy, working with child, adolescent, and adult outpatients. Primary Supervisors: Lance McCracken, Ph.D. and Bertram Cohler, Ph.D.
- 1997- 1999      University of Chicago, Department of Psychiatry, Post-Doctoral Fellow in Clinical Health Psychology. Behavioral medicine work done in conjunction with the Substance Abuse Clinic and the Primary Care group. Clinical work included motivational enhancement and relapse prevention with substance abuse patients, as well as work with more traditional behavioral medicine referrals (e.g., coping with medical illness, adherence problems, chronic pain, depression). Supervisors: Andrea King, Ph.D. and James Aikens, Ph.D.
